- LIVE SURGERIES
  - LIVE PATIENT EXAMINATIONS
  - LIVE CLINICAL INDICATIONS & CASE PLANNINGS
  - LIVE RESULTS FROM PREVIOUS COURSES
  - INTERNATIONAL FACULTY
- + WORKSHOPS

**1<sup>st</sup> Announcement**

# Welcome

Dear Colleagues,

“LIVE is LIFE”

According to this motto, we present for the 14<sup>th</sup> time the International Live Surgery Congress Shoulder from 5 – 6 November 2020 in Hanover, Germany.

As the only advanced training event in joint surgery to date, our concept is not to offer predominantly lectures or videos “from the retort”, but to provide 100% authentic education in the field of shoulder surgery by

- live clinical examinations
- live radiological analyses
- live surgeries

During 2 days top internationally renowned shoulder experts will demonstrate their clinical examination technique, analysis of the radiological imaging and subsequent surgical technique of the previously examined patients in 16 cases of various shoulder pathology.

The event will cover the entire range of shoulder pathologies such as instability, rotator cuff lesions, shoulder fracture and fracture sequelae, as well as shoulder arthroplasty.

This unique concept means that the faculty will not only focus on the surgical techniques, but also on “the path to surgery”, i.e. the indications, and discuss all of this with each other and with you.

Moreover the event will offer:

- live dialogue during the examinations and surgeries with the surgeons and moderators: You can ask questions directly and make comments.
- panel discussions at the end of each day
- industry workshops

Recordings of all examinations and surgeries will be available online afterwards. All participants will receive a free access code.

Join us and participate in this unique event which will be held at the international Hanover exhibition area.

You will have a big benefit for your daily practice.

20:00	End of Congress	

# Patronage

The congress is under the patronage of:

# Congress Party

High quality science and live surgeries are the main components of our congress – but there is more to it!

We find it important to offer you a platform for socialising in a friendly atmosphere, so we welcome you to join our dinner on 5 November 2020 at the Nelson – only a few steps away from the congress venue. You can expect great food, drinks, music and many chances to build up and strengthen your social networks.

**Location:** Nelson Restaurant

**Date:** Thursday, 5 November 2020

**Time:** 19:00 – 00:00 h

**Fee:** 60 EUR

## 3 unbeatable reasons to attend:

This unique shoulder congress offers a **live hospitation** from indication, clinical and radiological examination to live surgery.

**Jens Agneskirchner**

Some of the **best shoulder surgeons of the world** will frankly present their expertise in the management of shoulder instability, cuff lesions and osteoarthritis – totally live.

**Helmut Lill**

We welcome you to this exceptionally practical course in a **very friendly atmosphere.**

**Philipp Lobenhoffer**
